## Customer Reviews

i bought this book for pharmacy school as it was a required text. i received the book for a decent price and quick shipping. the only problem i have is that when I try to sell the book back to , the exact book i purchased from , the isbn doesn't match what is on their record

The book is in fine condition just like it said it would be, however, it did not make it to my house at the time that I would have liked. It was almost late in getting to me (the last date was January 20, 2013).

love this book i use it in the pharmacy all time speciallyâ ¢ for OTC products

This book is in good condition and I like it because it will fulfil my school requirement.Would like every pharmacy student to have a copy via .

Very good drug info book for the pharmacist who wants to stay abreast with the practice of pharmacy. I highly recommend it.
