The Essentials Of Academic Writing

Synopsis

THE ESSENTIALS OF ACADEMIC WRITING, 2nd Edition, offers a complete overview of the process of writing academic essays for college courses. This text covers the writing process, including concise, nuts-and-bolts coverage of researching, planning, drafting, documenting, revising, and proofreading academic papers. A sample student essay serves as a case study throughout the text, illustrating each step of the writing process. An anthology of 13 academic essays, covering a variety of disciplines and topics, provides good models for student writing. This affordable and accessible text is a valuable rhetoric for freshman composition and is an important reference guide to students in all college disciplines.

Customer Reviews

Ordered as part of a course I was taking, but then the school changed the book to be used. I kept it as it contains much need information that I know I can use in academic writing.

I received the product quickly and the product is even better than described. I am very satisfied!
Thanks a lot!

The product was exactly what I needed for class and they were out of books at school, so many of us got books from

The book I purchased " The Essentials of Academic Writing" was spot on. It 's a book that I can use in the future. The only thing that's bothersome is that my professor is not using it in his class, go figure.
