Quotes Every Man Should Know (Stuff You Should Know)

Synopsis

Filled with the wit of Winston Churchill, the insight of Aristotle, and the genius of George Carlin, this pocket-size companion is a thinking man's arsenal of quotes, quips, and comebacks. *Quotes Every Man Should Know* offers in-depth investigations into "who said what," counterquotes for common clichés, and tips for citing sayings without sounding stupid. Never be at a loss for words again!

Customer Reviews

I bought this for my husband for Christmas. He's a real pursuer of quotable quotes. He started reading it directly after he opened it and spent most of the rest of the day with it. He LOVES it -- says it is Fabulous!! Guess maybe I need to read it, too!

I bought this hoping it would have some really neat quotes, but I only found one section even mildly useful, and that was the section on things people frequently misquote. Don't bother buying this, just go to a site with quotes on it and read those.

Sorry I bought it! I read quotes often for sense of placement and perspective. Nothing here! I tired of reading the authors perspective, before I got to the quotes. The book isn't even heavy enough to flatten leaves. Buying it as a gift? DON'T! Of course they are going to tell you it was great. Sitting all day with book open? Check their pulse, or see if they have another periodical wedged in. Attractive book that is easy to travel with. Can fit in back pocket.

Makes a great gift! It's small, well written, concise, and of course, perfect to travel with. It was very well received!

The person I gave this too as a gift enjoyed it immensely.

Bought this as a gift and they recipient loved it.

Some real goodies in here!
