A Community Of Readers: A Thematic Approach To Reading

Synopsis

A COMMUNITY OF READERS: A THEMATIC APPROACH TO READING, 7th Edition, helps developing readers engage in all steps of the reading and learning process: reading, discussing and reflecting, writing, and critical thinking. Using the unique PRO system--Prepare to Read, Read actively and reflect, and Organize to learn--students develop and follow a concrete learning process that helps them examine fact and opinion, understand bias, think critically, write effectively, and much more. Each chapter focuses on a theme, helping emerging readers develop schema, and also introduces a key reading skill such as identifying main ideas or understanding inferences. The second of two books in series, A COMMUNITY OF READERS: A THEMATIC APPROACH TO READING has been fully updated with new full-length readings, a variety of new visual aids, and a revised Reader's Toolkit for self-testing and improving reading skills.
