Anthology Of World Scriptures

Synopsis

With ANTHOLOGY OF WORLD SCRIPTURES, you will encounter the most notable and instructive sacred texts from major world religions, including: Hinduism, Buddhism, Jainism, Sikhism, Confucianism, Taoism, Shinto, Zoroastrianism, Judaism, Christianity, and Islam, in addition to scriptures from new religious movements including: Baha'i, The Church of Jesus Christ of Latter-Day Saints, the Christian Science Church, and the Unification Church. ANTHOLOGY OF WORLD SCRIPTURES presents scripture readings in context, showing how each religion is actually practiced today, as well as introducing its history, teachings, organization, ethics and rituals. These selections are supported by introductions, study questions, glossaries, extensive footnotes, timelines, scriptural charts and suggestions for further reading by the editor. A new premium website features many interactive resources including a Zoom Gallery powered by Google Earth, an interactive study tool which brings to life the geography, lands, and religious sites important to each religion.

This was a good book for a class I had to take. Gave good insight to different world religions, can be a difficult read at times depending on different sections of the book there are parts that take parts directly from scripture so sometimes difficult to understand. Overall I'm sure the professor for the class could have chosen a more difficult book so this wasn't half bad.

It is a good book that details the different religions. It is very helpful and useful for my world of

religions college course

All just selections from texts. Required for a class but I wouldn't recommend buying to read for fun

As described

excat book i need for class and at a better price than the rental at school.
